ECOSOLAR Profile

Guangdong MACC Industrial Co.,Ltd. (the Company), established in April, 2012, is a group enterprise, integrating R&D, intelligent manufacturing, sales and service into one body. The Company mainly has MACC Electronics (Shenzhen) Co.,Ltd., Huizhou MACC Electronics Co.,Ltd., Shenzhen ECOSOLAR Technology Co.,Ltd., Shenzhen MACC RV TECH Co.,Ltd. and Zhongshan MACC Technology Co.,Ltd. under it.

Based in China, the Company provides products and services for the global market, and its main products cover smart business display products (software development and platform release included) , high-definition smart TV products, special TV (car electronics and car TV) products, new energy (solar TV and system and supporting) products, etc.

The Company has robust comprehensive strength, and has set up professional R & D, intelligent manufacturing and sales teams. Branches and representative offices have been set up in Hong Kong, China and Los Angeles among others. The company has been keeping pace with the times and is growing up day by day. Up to now, it has built a staff team of more than 1000 persons at home and abroad.

To meet the stable development of the Company, an "intelligent terminal display" base has been established in Zhongshan, covering an construction area of 200,000 square meters, and an intelligent manufacturing base will be completed by the end of 2024, with an annual production capacity of about 8 million sets.

As a socially responsible enterprise, the Company are dedicated to make responsible products, always carrying out the core values of “customer first, happy work, pragmatic innovation, win-win result and common responsibility”. No matter how severe the world situation is and how fierce the competition is.

ECOSOLAR, as a subsidiary of the Company established in 2019, is specialized in solar energy appliances. It has developed a full product portfolio including solar TV, AC+DC TVs, radio, speakers, soundbar, refrigerator, freezer and other products, and provides various electronic solutions for customers in off-grid areas.

ECOSOLAR has always been adhering to the market-oriented principle and focusing on technology innovation and energy conservation, and is dedicated to providing customers with effective, efficient and affordable electric appliances.

In this atmosphere of mission-driven culture, ECOSOLAR has established a high-performance team to achieve this mission to play a role in carrying out the goal of global sustainable development.

Enterprise qualification and honor

ENTERPRISE  
QUALIFICATION  
AND HONOR

# S2

## FRONT-SPEAKER DESIGN

- Size: 19"/24"/32"/43"
- Adjustable brightness
- Ultra-low power consumption
- Front-speaker design with bass sound effect
- Overvoltage/Low Voltage and Reversed Polarity Protection

## S3 DOWN-SIDE SPEAKER

Size: 24"/32"/43"

Adjustable brightness

Ultra-low power consumption

Overvoltage/Low Voltage and Reversed Polarity Protection

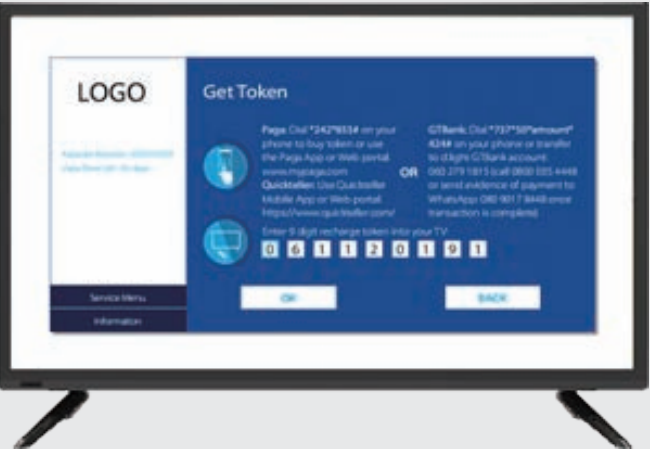

# AC+DC TV

- Size:19"/24"/32"/40"/43"
- Adjustable brightness
- Support AC-DC power supply(support mixed input or single input)
- Support wide voltage

# PAYGO TV

- Size:19"/24"/32"/40"/43"
- Adjustable brightness
- Built-in PAYG system,Customizable PAYG
- High-level safety

# RECHARGEABLE TV

- Size:24"/32"
- TV with battery box,built-in cotrol system,PAYG system(optional)
- Support 18V power input
- Support 5V/12V mobile charging
- Support long working time

# EDUCATIONAL TV

- Size:19"/24"/32"/40"/43"
- Built-in PAYG system(optional),Memory (64GB or optional)
- Built-in various video resources
- With management system (resource classification, viewing time, parental control)

C1  
FRAMELESS TV

Size: 24"/32"/40"/43"  
Adjustable brightness  
Ultra-low power consumption  
Frameless design  
Overvoltage/Low voltage and Reversed polarity protection

SOUNDBAR TV

SOUND BY

Available size: 32"/40"/50"  
Frameless TV with built-in soundbar  
Vibration smart design  
Display: D-LED  
AC power supply:110-220V  
Brightness:200-300 nit

# SOUNDBAR

## L410

- Bluetooth V5.0
- Frequency Response Range: 50Hz-18KHz
- Maximum Distortion: 0.3% 1W 1KHz
- Audio Source Format: MP3, WAV, FLAC
- Voltage: DC12V/AC230V

# SOUNDBAR

## L480

- Material:plastic/metal mesh
- Bluetooth version 5.0 for a wireless connection to the TV
- 2 full range speakers(stereo)
- HDMI-ARC
- Dimensions(W/H/D):480 X 60 X 60 mm

# RADIO

- Support function FM,USB,TF,Bluetooth(optional)
- Various colors can be customized
- Ultra-low power consumption
- Built-in rechargeable Batteries,with wide voltage and NTC protection

# ENERGY EFFICIENT FREEZER

## BD-142

- Support color customized
- Low power consumption
- Adapt to all climate types
- 12V and 24V dual voltage switch freely
- 96V-240V adapter (optional)
- Freezing supports -15°C

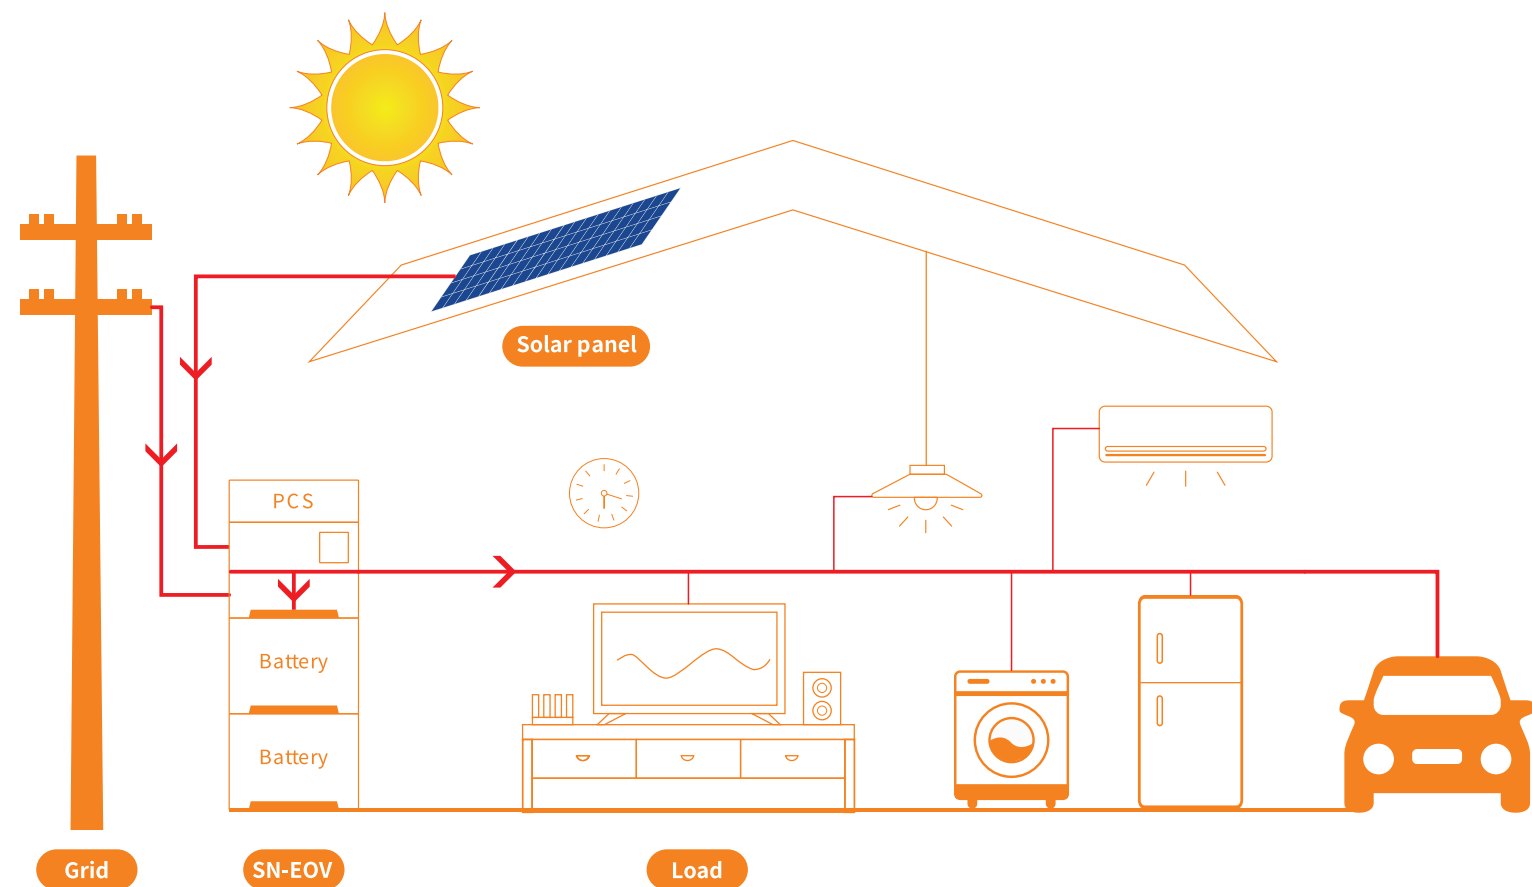

# POWER STATION SERIES

SN-(300-2000W)

## HOME ENERGY STORAGE SYSTEM

2000W-7000W
